

# STUDENT ACADEMIC STANDING AND ADVANCEMENT

## Technology Program: Computer Science 420.A0

Students' standing and advancement in any program are governed by the provisions of *Bylaw 8, Academic Success*, the general policy of the College, and by any additional rules set by the Program and approved by the College.

### COLLEGE POLICY: GOOD ACADEMIC STANDING IN THE COLLEGE

Each Autumn and Winter semester **Computer Science Technology Program** students must pass

- more than 50% of the courses in which they are registered and
- more than 50% of the Professional Program courses in which they are registered.

Students who fail to comply with the College Policy for the first time will be placed on Academic Probation. Students who have previously been on Academic Probation in this Program or any other Program will be suspended from the College.

Vanier College Board of Directors, College By-Law 8: Academic Success approved December 13, 2005

### **PROFESSIONAL SUITABILITY IN THE PROGRAM**

Since the technology student is being educated for a specific profession, academic performance is not the only criterion for evaluating a student's standing. Individual aptitudes and capabilities may have to be considered in evaluating a student's suitability for a specific technology. Should a student be declared professionally unsuitable, the Faculty Dean may, on the recommendation of the Program, require the student to withdraw from the Program.

Vanier College Administrative Policies And Procedures, 7210-23: Professional Unsuitability, 1999-01-26
