Vanier College Board of Directors, College By-Law 8, Academic Success approved December 13, 2005.

PROFESSIONAL SUITABILITY IN THE PROGRAM

Since the technology student is being educated for a specific profession, academic performance is not the only criterion for evaluating a student's standing. Individual aptitudes and capabilities may have to be considered in evaluating a student's suitability for a specific technology. Should a student be declared professionally unsuitable, the Faculty Dean may, on the recommendation of the Program, require the student to withdraw from the Program.
