

Modern Languages and Music (Double DEC)

.....

This is a three-year pre-university program for students with an aptitude in both Music and Modern Languages. Upon successful completion of the program, students receive both a Modern Languages and a Music Diploma in Collegial Studies and are eligible to continue their university studies in either domain. Students have the choice of two languages, both at the advanced (400) level; or three languages, only one at the advanced (400) level. The Languages offered include: Mandarin, German, Italian, Russian and Spanish.

What can I do after I graduate with two DEC's in Modern Languages and Music?

Modern Languages and Music graduates may study in areas such as performance, music therapy, music history, music theory, composition, music education as well as in linguistics, literature, languages, communications, film studies, political science, law, translation, tourism, and hotel management, to name a few.

Sec IV and V students:

Come to OPEN HOUSE and hear the Music Department in action - concerts, open rehearsals, master classes and information sessions. Everything you need to know for your audition and entrance exams is on our website. Visit us now at: www.vaniercollege.qc.ca/music/auditions.html. Fill in the Music Questionnaire on the Auditions page to receive information on workshops and concerts that come up later in the year.

Admission Requirements:

Admission to the College is on the basis of the Quebec Secondary School Diploma (*Diplôme d'études secondaires*); or the Quebec Diploma of Vocational Education (*Diplôme d'études professionnelles*) with Secondary 5 first and second languages as well as Secondary 4 Mathematics; or equivalent scholarship completed outside the province.

Admission to Modern Languages and Music requires: Music 502 or Cegep Music 551-001 or 551-002; or recognized music training in theory and practice from a school or private teacher.

All applicants must audition on their principal instrument (or voice) and will write an entrance exam in theory and ear training.
