

Congratulations!

Congratulations to the following students who have achieved academic distinction last semester. The Dean's Honour Roll students maintained an average of 90% or above while carrying a sufficient course load for their program as defined in the College Guidelines on Academic Awards. The average for the Honours List students ranges between 85% and 89%, also with a sufficient course load for their program. The Dean's Honour Roll students will receive a certificate and a letter from the Academic Dean by mail. – *Martine Gauthier, Academic Dean*
