HOW TO CONFIGURE YOUR *iPhone* TO RECEIVE VANIER COLLEGE EMAIL

HOW TO CONFIGURE YOUR *iPhone* TO RECEIVE VANIER COLLEGE EMAIL

1. Open your mail settings by touching the *Mail* icon.

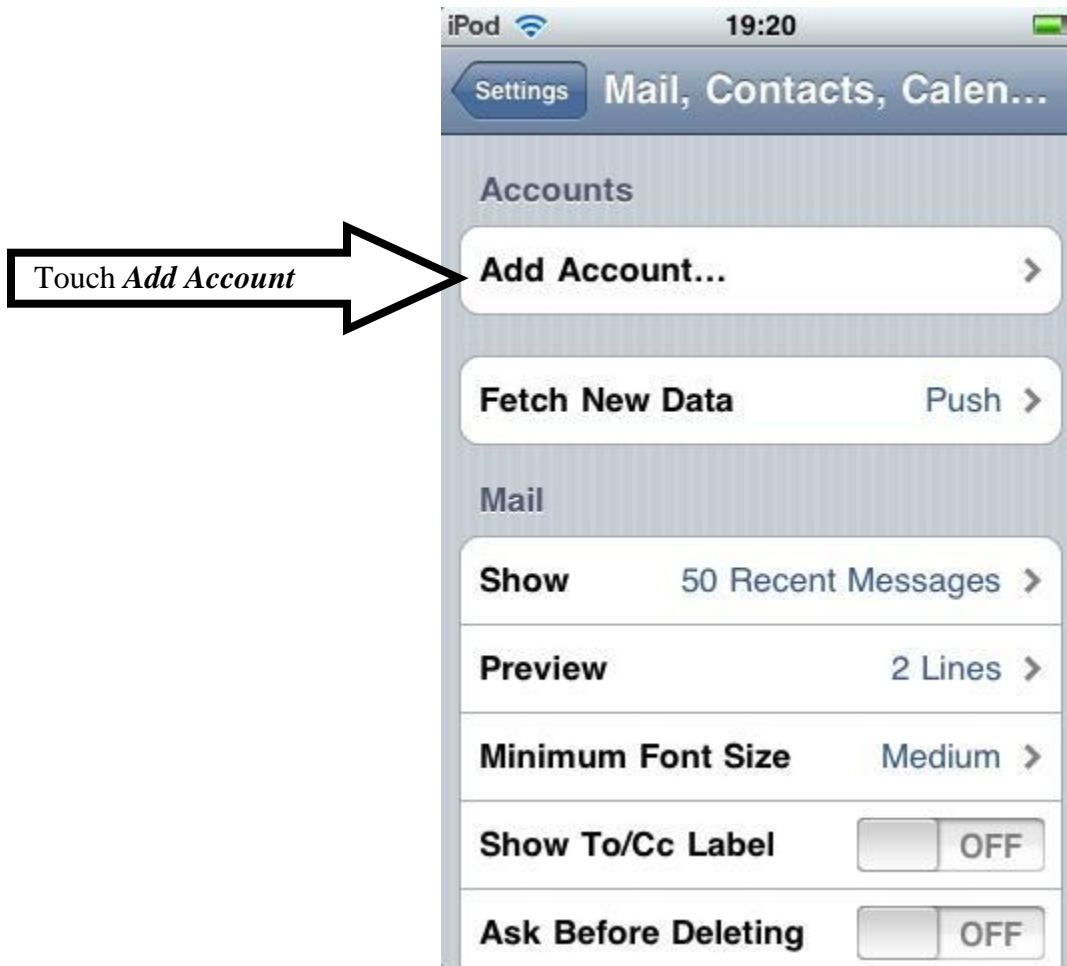

2. Touch the *Mail, Contacts, Calendars* icon.

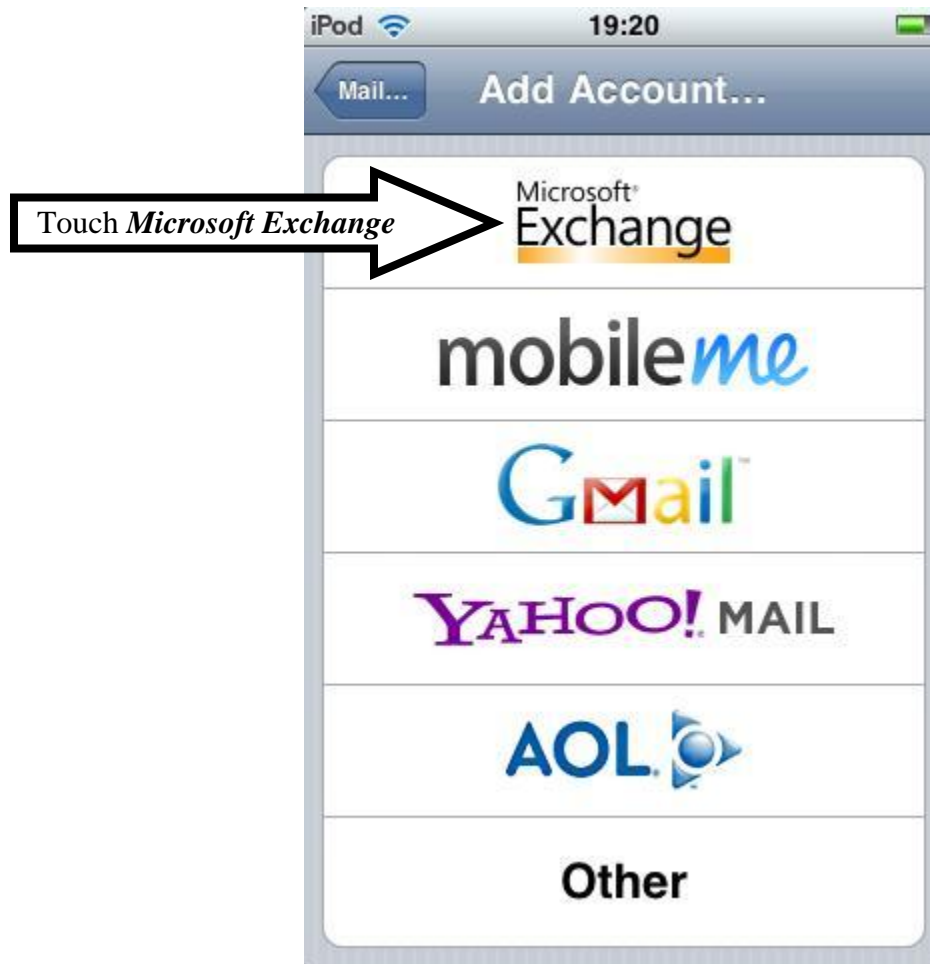

Touch *Mail, Contacts, Calendar*

3. Touch *Add Account ...*

4. Touch the *Microsoft Exchange* icon.

5. Enter your account information into the empty fields as shown below and touch *Next*.

 **Note** your_username@vaniercollege.qc.ca is actually your email username.
Do not type *your_username* literally.

6. Now enter the mail server information in the *Server* field and touch *Next*.

7. Once you see the word *ON* beside *Mail*, touch *Done*.

You're done!
