

Volume M18, Issue No. 14, April 18, 2017

Intercom is published regularly and serves to inform Vanier staff and teachers of notices and special events. It is posted on the [Vanier College Website](http://www.vaniercollege.qc.ca) and distributed electronically. Submissions should be sent to intercom@vaniercollege.qc.ca. Submissions should be in **WORD**, and sent as an **attachment**. No formatting or bullets. **Deadline: 4:00 p.m. on the Wednesday preceding publication.**

Time to register for the annual AQPC Symposium

The 37th AQPC symposium will take place June 6 to 8, 2017 in downtown Montreal, at Concordia University. This year Vanier College and Cégep de Saint-Laurent are co-hosting the event whose theme for 2017 is *Our legacy*.

The official program and schedule are now posted on the AQPC website: <http://aqpc.qc.ca/en/symposium/program>

Time to register and take advantage of the early-bird savings and advantages: <http://aqpc.qc.ca/en/symposium/register>

Darren Becker, Vanier Communications and Corporate Affairs

Vanier wins Double at the Dawson Case Competition

Congratulations to the Vanier College Business Administration teams who made it to the podium at the 2017 Dawson College Bilingual Case Competition. The Vanier Accounting team won first place honours and the Vanier Marketing team won second place, making Vanier College the only cegep to have two teams win in Marketing and Accounting at this year's event.

Finance Team Coach Anna Schiavi's students drew on their finance and business knowledge to make their winning presentation.

Samuel Bonspille, Liana Harutyunyan, and Vittorio Palermo, (in photo above), all Vanier Accounting Management Technology students, dedicated themselves during three months to prepare for the contest. "These students faced a tough challenge and through hard work and commitment they developed superb teamwork and presentation skills. They did not buckle under the pressure and were able to come up with a viable solution in three hours. This is a great business and life skill that will stay with them always," says Anna Schiavi. Paul Santache, a Finance graduate of the John Molson School of Business and a past winner of international university-level case competitions, assisted Anna in preparing the students.

In a finance case competition, students have three hours to analyze the annual report of a company then make a presentation before a panel of judges, in which they analyze the company's performance, project future possibilities and make recommendations to the company's stakeholders.

The Vanier Marketing team consisting of students Cristina Laura Zambon, Tina Volpe, Alexa Valiante, and Kayla Shamshoum (in photo below), coached by David Moscovitz and Peter Vogopoulos,

also spent many months preparing for the Marketing section of the Dawson Case Competition.

“After a long day of competition, I am so proud of the Vanier Business Administration department that came through the competition as the true program to beat in Quebec,” said Coordinator of Vanier College Business Administration and Marketing team coach.

“Ten teams from across Quebec competed in each discipline. These results are indicative of the hard work our students put into representing Vanier. Their devotion to their respective teams was simply amazing.”

“These great outcomes are the result of a committed group of teachers we have working in our department. It cannot be overlooked that even teachers who did not work directly with students over this last year on case competition material, nonetheless provided a presence and a devotion to students’ learning experience while at Vanier that is priceless.”

“We were the only college in Quebec that reached the podium in both Accounting and Marketing,” says David Moscovitz. “Both Vanier teams did extraordinarily well. A tribute to all of us who teach our students with such commitment and passion. We should all be proud!!”

Marquerite Corriveau, Vanier Communications

Mountain Lake PBS runs segments from Justice and Accountability Conference that was held at Vanier

Mountain Lake PBS, one of the partners for the Justice and Accountability Conference that was held at Vanier on March 30 and 31, created a segment on their show *The Journal*, regarding the conference as well as an extra segment on Karen Elis one of the guest speakers. Both links are below.

<https://mountainlake.org/genocide-prevention-is-discussed-at-the-justice-and-accountability-conference/>

Marlene Grossman, Psychology Department

Jazz Combo Concert

This Wednesday, April 19 at noon during Universal Break in the Auditorium the Music Department once again proudly presents a free recital featuring **jazz combos** from the studio of the ever-industrious **Nick Di Tomaso**.

The combos feature students in their first and second years of study, but don’t let that sway your opinion of their performance capabilities. These new kids on the block will be playing some excellent and demanding repertoire, and I guarantee that they will play it very well indeed.

And there’s a whimsical set of paradoxes to the programme. (Ooh, I do love a good paradox.) Witness the optimistic seasonal appropriateness of tunes like Pat Metheny’s *April Joy* and *Better Days Ahead*, or John Scofield’s *Hammock Soliloquy* juxtaposed with pre-exam period stress-inducing selections like *Question and Answer* by Metheny, and *March of the Sad Ones* by Gilad Hekselman! Oh Mr. Nick, what ARE you trying to tell us here?

Glen Ethier, Department of Music

English Exit Exam Information Sessions

The Tutoring and Academic Success Centre (TASC) is offering information sessions to help students prepare for the English Exit Exam. Please encourage your students to make use of all the assistance available to them.

This 1-hour session will give information about the exam: what it looks like, what one will be asked to do, how it is assessed and suggestions on how to write it. We will also discuss tips on what to do to pass the English Exit Exam. All of these sessions are the same; students only need to attend one:

- **Wednesday, April 19th, 12:00pm-1:00pm, A-001H**
- **Wednesday, April 26th, 12:00pm-1:00pm, Amphitheatre (B223)**
- **Thursday, April 27th, 5:00pm-6:00pm, A-001H**
- **Friday, April 28th, 2:30pm-3:30pm, A-001H**
- **Wednesday, May 3rd, 12:00pm-1:00pm, Amphitheatre (B223)**

If you have any questions or concerns, please send me a MIO or visit TASC, E300.

Kimberley-Blue Muncey, Tutoring and Academic Success Centre (TASC)

2017 Student Life Award

The **Student Life Award** recognizes those **graduating students** who deserve recognition for their commitment, integrity and perseverance in contributing to Vanier’s student life, aside from academic achievement. Leadership, effort, and the ability to motivate and involve others are often the qualities exhibited by *Student Life Award* recipients.

The Selection Committee invites recommendations from those persons familiar with the candidate's activities at Vanier College. **Any student, faculty or staff member of Vanier College may nominate a candidate** for the *Student Life Award*.

Please **print and complete the nomination form found on the web at:**

<http://vaniercollege.qc.ca/student-services/student-development/student-life-awards.php> and **return it together with your letter of recommendation** to the *Student Life Award Selection Committee* in Student Services, C-203, no later than 4pm on **May 11, 2017**.

Donata Parisella, Student Services

3rd Annual Science Symposium Check out our budding science researchers

Vanier College is proud to be hosting the 3rd Annual Science Symposium, on April 26th from 12:50 to 6pm.

Students registered in the Research Methods for Science course here at Vanier will be presenting research that they have done in labs at McGill, Concordia, and Armand Frappier over the course of the semester.

Their work includes projects done in Biology, Math, Physics and Chemistry so whatever your interest in science, this will be a great opportunity for you to see fellow Vanier students apply what they have learned in their Science program.

We will be joined by students from John Abbott who will also present the research they have done during their last semester of college. We also expect some of the student mentors from various universities to visit.

So please do join us from 12:50 until 6pm to see poster presentations and talks prepared by your peers.

Please tell your students about this event.

Christopher Gregg, Science

Vanier at the Corporate Challenge Race

Congratulations to the Vanier Running Team who participated in the 2017 Corporate Challenge as part of the Circuit Endurance Saint-Laurent Race on Sunday, April 9th. Seen from left to right in the photo are: Quentin van Ginhoven, Marie-Hélène Gratton, Erin MacLeod, Maggie McDonnell, Heather Robb, and Kevin Bushell.

Quentin van Ginhoven, Environmental and Wildlife Management

The Vo Van Tho Memorial Scholarship

The Department of Mathematics is proud to present the first annual Vo Van Tho Memorial Scholarship. Created in memory of Vo Van Tho, a Mathematics professor at Vanier College from 1982 to 2013, this scholarship recognizes two graduating students, one from Commerce and one from the Sciences, for demonstrating academic excellence in mathematics.

For more information on the Scholarship, eligibility requirements, and to download the application form, go to:

<http://www.vaniercollege.qc.ca/scholarships/scholarships/vo-van-tho-memorial-scholarship/>

The deadline for application is April 21, 2017. Please encourage your students to apply.

Sandi Mak, Mathematics

Saltise Conference Registration now Open

This year, the 6th Annual Saltise Conference taking place on June 5th has been organized by teachers from Vanier, Kevin Lenton and myself. This year's theme is: *Interconnecting Design and Assessment: New frontiers for engaging the learner*

Registration is currently open.

<http://www.saltise.ca/conference-2017/registration/>

Registration is free for early birds.

Marielle Beauchemin, Micromedia

Big Band Benefit 2017 Success

Last week's Big Band Benefit, featuring our very own Vanier College Big Band along with the Jean Lessard Big Band was—despite the 8:00 p.m. start and Wednesday date in lieu of Monday—a huge success once again for an audience of just over 100.

Special thanks for making this such a memorable evening go to **Wilma Brown** for allowing us to honour her late husband and long-time Vanier employee **Louis Contant** (in whose name Wilma has generously established 4 music scholarships), and to former department coordinator **Nadia Turbide** for providing us with a touching personal testimonial to Lou.

Thanks also to our special guest, jazz/pop voice teacher **Johanne Desforges** who gave us a dynamic and soulful performance of *Avalon* and *I'm Gonna Live Till I Die*. Band directors Jocelyn Couture (Vanier) and Christopher Smith (JL) had the players on their toes for the whole evening.

Auditorium technician David Scott was his usual professional self, going above and beyond to make the show work seamlessly. And our student helpers—Jin Xin Mao, Dorothy Andrusiak, Amber Li, and John D'Angella—added a wonderfully welcoming touch at the door and with the programmes.

All in all, one of our best events so far this year. Thanks to everyone from Vanier who came out to see the show that helps to raise funds for music scholarships—your support is deeply and genuinely appreciated.

Noël Spinelli 15th Anniversary Recital

Well, as if there aren't enough wonderful performances coming out of the Department of Music these days, here's another one for you all. This **Friday, April 21**, beginning at **7:30 p.m. in the Auditorium**, we will be staging our 15th annual **Noël Spinelli Scholarships Recital**.

Here's the story: every year for 15 years now, Mr. Spinelli has generously been providing 2 incoming and 2 graduation scholarships for students in the Classical Voice program. And in return, every year for 15 years, our classical voice teacher **Tamara Vickerd** organizes a stunning recital of works by those scholarship winners past and present to honour and thank Mr. Spinelli for his generosity and his support of our program.

Most winners of those scholarships have gone on to do amazing things at universities and schools not only in Canada, but in the United States and Europe as well.

So this year, instead of our usual quiet affair held semi-privately in a dim corner of the department, we are holding a special gala show on the big stage in the Auditorium. The evening's entertainment will begin with chamber music provided by string ensembles from the studio of **Sylvie Allaire**. That will be followed by numerous renditions of some of the most beautiful vocal music to be found in the repertoire of song and opera—Mozart, Verdi, Schumann, Puccini—the list goes on (but no Liszt). What better way to end the week than with a recital of this calibre (if you're not too Bizet). And best of all—it's absolutely free!

Coming Soon: *Elijah*

A magnificent concert on May 9, 2017 with the St Lawrence Choir and the Vanier College Choir under the direction of Philippe Bourque and with the McGill Chamber Orchestra.

See the full-size poster at the end of Intercom.

Vanier Gardens up-date

A lot is happening behind the curtains for the Vanier Collective Gardens to spring out and bloom in their best attire for the new growing season. Although some delays have been incurred, it is all for the best as a new, sunny and peaceful location was decided on for our main gardens: between the Old and the N buildings. Stay tuned for more information soon once the details have been worked out!

Furthermore, it is now with style that all members of the Vanier community can get their hands dirty by wearing our chic gardening aprons! Tell your students to join; don't mine look happy?! [Photo by student Shazia Ranmal]

Wishing you all a great Earth Week at Vanier!

To access educational material:

- Visit the Garden website: <http://www.vaniercollege.qc.ca/sustainability-major/collective-gardens/>
- Visit the Garden Omnivox Portal community: <https://vaniercollege.omnivox.ca/intr/VanierCollectiveGardens/>

To stay tuned or get involved:

The Tropics: Opportunities and Challenges

Just a reminder that the deadline for submitting a letter of intent to apply for the course “The Tropics: Opportunities and Challenges- An Exploration of Human-Environment Relationships in Belize” is on April 23, 2017. We would greatly appreciate if teachers could announce this final reminder in their classrooms. The course will include an eight-day field trip to Belize during spring break 2018, in addition to eight lectures prior to departure.

Students from all programs are welcome.

Please have a look at <http://www.belizevanier.com/> for information from the 2016 course. For additional information, please contact Brandee Diner (Environmental and Wildlife Management): dinerb@vaniercollege.qc.ca or Myriam Mansour (Geography): mansourm@vaniercollege.qc.ca

Join the Waste-Free Lunch Challenge during Earth Week

Waste-Free Lunch Challenge

This certifies that during

EARTH WEEK

I pledge to pack lunches free of packaging, practice the 3 R's, and do my part in keeping the environment clean.

Signed: _____ Date: _____

Every day during Earth Week (18 - 21 April), Student Life is calling on the entire Vanier community to eat **waste-free lunches**. A waste-free lunch is created using zero waste and everything is edible, reusable, recyclable, or compostable. It favours using re-usable food and drink containers, washable cutlery, and cloth napkins. That means no more pre-packaged foods, plastic bags, juice boxes and pouches, coffee cups, paper napkins and throwaway utensils.

Competition details: Post photos of your waste-free lunches all week on **#vaniernowastelunchchallenge2017** @vanierstudentlife, or send to: **studentlife@vaniercollege** by 5pm Friday 21 April.

Winners who post photos every day during Earth Week will go into draw for great sustainable lunch prizes!

For more information, contact Rowena Selby in Student Services (C-203), or visit

the Earth Week kiosks every day this week.

Earth Week: April 18-21 – Global Challenge class getting involved!

For Earth Week, the entire geography *Global Challenge* class will be animating kiosks every day, **April 18-21**, on a whole array of themes.

See schedule for details on DIYs, workshops, game shows, and even contentious topics for some good discussions!

Myriam Mansour, Geography Department

Place Rodolphe Rousseau Student Design Competition – Winners Announced

Photo above shows Richard Klopp with Brinsley Smith and Roberto Petraroia

Congratulations to Architectural Technology students **Roberto Petraroia, Brinsley Smith, Matthew Ribuffo, Sattwick Shukla and Sheron Rahavan** for their winning submission to the PRR Student Design Competition! Their design for a temporary stage and shaded sitting area will animate the new public square being constructed in front of the Côte-Vertu Metro Station for the local *Montreal 375* celebrations this summer.

Together with 8 other teams, *Team TREXPO* presented their proposals to a panel of judges comprised of:

- **Alexandra Bourque-Alvear**, Agente de liaison, Organismes culturels, sportifs et de développement social, Arrondissement de Saint-Laurent;
- **Isabelle Delisle**, Coordinator, Pedagogical Support and Innovation, Vanier College
- **Glen E. Ethier**, Coordinator, Department of Music, Vanier College
- **Jérôme Glad**, Fondateur, La Pépinière | Espaces Collectifs
- **Richard Klopp**, Teacher, Architectural Technology, Vanier College
- **Joanie Robert**, Manager, Facilities, Vanier College
- **Andrée Tremblay**, Chef de division, Bibliothèque et Culture, Arrondissement de Saint-Laurent

The competition was commissioned by the Borough of Saint-Laurent, who has offered a \$500 prize for the winning team and a budget to cover material costs. A team of students will build the structure in early June. The plan is to construct it at Vanier College and have it delivered by Travaux Public to the site. An inaugural event including performances by music students is also in the works.

The jury was very impressed by the quality of the presentations and there is already talk of making this an annual event. Thanks to Andrée Tremblay and Alexandra Bourque-Alvear from the Borough of Saint-Laurent, no participant was left empty handed: each student received a free ticket to a local cultural event.

Web of Science Database Trial

The Vanier Library has a trial for Web of Science through June 27th. If you have the opportunity to try it out, please let us know what you think about it. To access WoS (on campus only), go to the library web page (www.vaniercollege.qc.ca/library) and click on databases under MENU. Web of Science is at the bottom of the list. Please contact Susan Bissonnette (bissonns@vanier.college) if you have any questions.

Scholarships for Students

There are a number of scholarships and bursaries that are currently available to students. Some are program specific, while others are open to all students. Here is a list of all available scholarships along with the eligibility criteria: <http://www.vaniercollege.qc.ca/scholarships/>. If students are looking for help with reviewing their application(s), they can visit Joshua Berman in B-205F. Please encourage your students to apply.

The new Tutoring & Academic Success Centre opened as of April 3rd

The Tutoring & Academic Success Centre (TASC) is accessible through the F-300 lobby and as of April 3rd, peer tutoring for English, Math, and Sciences takes place in the new space (E-300 wing). The space features access to 8 desktop computers, over 60 seats, versatile desks that students will be encouraged to move around based on their needs, offices for TASC professional staff, and a future Writing Centre.

The new STEM Centre opened as of March 20th

The Science, Technology, Engineering, and Mathematics Centre (formally the Math & Science Centre), has officially opened to everyone. It is located in D-301 and includes collaborative study space, the hackerspace/robotics lab, access to textbooks for in centre use, and 10 computers.

Thank you for your continued patience,

Art Contest for an exhibition of students' work during the Annual AQPC Meeting in June

Please tell your students about an art competition that will lead to an exhibition of student work at the AQPC's (Association québécoise de pédagogie collégiale) annual symposium that Cégep de Saint-Laurent and Vanier College are co-hosting this year. The theme of the 2017 Symposium is Our Legacy.

To compliment the symposium's theme, the art competition's theme is **identity**. How has a sense of identity impacted your legacy as a student studying at college? Nine works will be chosen from Vanier students for the finalists exhibition that will be held at Concordia University and at the Palais des congrès in June 2017.

All finalists will have the opportunity to sell their photos at the banquet exhibition. The contest is reserved for students currently studying at Vanier College. The contest is open to all mediums (eg. drawings, photographs, painting, sculpture) with the exception of video based work. All works must be well documented and in digital format. For example, if you have a drawing or sculpture you need to document it photographically.

Grand prize: \$250 + gifts from sponsors

For more information on the symposium, visit: <http://aqpc.qc.ca/en>.

HOW TO ENTER:

- Submit a maximum of two individual works in digital format. Minimum resolution of the image must be 3000 pixels on the longest side. Each work must fit in a 16" X 20" paper.
- If documenting work, use the camera's maximum resolution (e.g., 12.7 megapixels = 4372 pixels x 2906 pixels)
- Supported file formats: JPG, TIFF, RAW, CR2, NEF
- Each work needs to include your name, title, original dimensions (if applicable), medium, year.
- Each work must have a short 250 word description about its connection to the theme of identity.
- Use www.wetransfer.com or a similar site for sending large files.
