Guidelines

You may submit up to six poems in the Poetry category.
You may submit up to two stories in the Short Story category.

The poems and stories can be as short or as long as you like.

You may write in any form and about any topic or theme. This is a creative writing contest – so be as creative as you like!

Entries must be typed and must include your name, student number and email address.

Each submission is judged as a package. It is the package that wins, not the individual poem or story. If you submit five poems, then it is the group of poems that is judged. So make sure you are handing in your best work!

Judging will be blind (your name will be removed from the writing) and will be done by a panel of two or three judges.

Entries must be received by Friday, March 25th, 4:30pm, in B205-D
