Pathways/Explorations Passages Profiles

VANIER
CÉGEP/COLLEGE
My choice. My future.

**PATHWAYS/EXPLORATIONS
PASSAGES PROFILE**

The Passages profile is intended for high school graduates whose academic record indicates a need for additional academic support. It is designed to teach students the necessary academic skills to succeed in college studies, strengthen their oral and written communication skills, and develop their self confidence and motivation. Students are encouraged to explore the available resources and to build a strong support network at Vanier College, as well as to choose a program that best suits their interests and abilities.

Students may take up to a maximum of seven courses. Credits earned for English, Humanities, French and Physical Education courses can be applied to all DEC programs.

COMPULSORY COURSES:

English	603-101 [according to placement]
College Preparation	360-100 *
Science of Survival	109-HSA *
1 Social Science Introduction Course	[selection varies by semester]

PLUS up to three additional courses may be chosen from the following:

<ul style="list-style-type: none"> Anthropology Cinema & Media Studies Commerce Computer Science [complementary only] Economics French [according to placement] Geography History Humanities [345-101 or 345-102] Modern Languages 	<ul style="list-style-type: none"> Music [550] Philosophy Photography/Theatre Physical Education [109-101 or 109-102] Political Science Psychology Religious Studies Sociology Studio Arts & Art History Theatre
--	--

* course descriptions on reverse side

Pathways/Explorations Prerequisites Profiles

PATHWAYS/EXPLORATIONS PREREQUISITES PROFILE

The Prerequisites profile is a preparatory session for students who want to acquire mathematics and science prerequisites to apply for admission to a Science or a Career DEC program.

Students may take up to a maximum of seven courses. English, Humanities, French and Physical Education courses can be applied to all DEC programs.

COMPULSORY COURSES:

English	603-101 (according to placement)
Career Preparation	360-101

This course is designed to prepare students for the rigors of college education and to help students explore various academic and career options. You will also learn about the wide choice of college programs that are available, and start to think about a future career based on your skills, abilities, and values.

Course(s) from the list below that satisfy the prerequisite(s) of the program in which students have indicated on the SRAM application:

982-003-50* (5 hours/week)	CEGEP equivalent to Science STE 404 or SE 402 (absolute prerequisite for Secondary 5 Chemistry and Physics)
201-016-50* (5 hours/week)	CEGEP equivalent to Math TS or SN 406
201-015-50* (6 hours/week)	CEGEP equivalent to Math TS or SN 506
202-001-50* (5 hours/week)	CEGEP equivalent to Chemistry 504
203-001-50* (5 hours/week)	CEGEP equivalent to Physics 504

Students may register for additional courses chosen from:

French	(according to placement)
Humanities	345-101 OR 345-102
Physical Education	109-101 OR 109-102
Complementary	(refer to Registration Guide for selection)

* Students who have passed the equivalent High School course will be charged a fee. Please refer to the Course Schedule.

Explorations Transition

Explorations Transition is a preparatory session designed for students with previous CEGEP studies who wish to take mathematics and science prerequisites to apply for admission to a Science or a 3 year career/technology program.

Students must register for a minimum course load of 12 hours per week (180 hours per semester) but may take up to a maximum of 7 courses. English, Humanities, French and Physical Education courses can be applied to all DEC programs.

PREREQUISITE COURSES:

Students will be preregistered in a course(s) from the list below that satisfy the prerequisite(s) of the program in which they have indicated on the SRAM application.

982-003-50* (5 hours/week)	CEGEP equivalent to Science STE 404 or SE 402 (absolute prerequisite for Secondary 5 Chemistry and Physics)
201-018-50* (5 hours/week)	CEGEP equivalent to Math TS or SN 406
201-015-50* (6 hours/week)	CEGEP equivalent to Math TS or SN 506
202-001-50* (5 hours/week)	CEGEP equivalent to Chemistry 504
203-001-50* (5 hours/week)	CEGEP equivalent to Physics 504

Students may register for additional courses chosen from English, French, Humanities, Physical Education or Complementary courses (refer to the Registration Guide).

Explorations 7

“My program is not available in January”

This program is for students entering college in January but whose program of choice is not available until the fall semester. Since you have the necessary pre-requisites for your intended program, **you are not permitted to take any math/science courses.**

Students must register for a minimum course load of 12 hours per week (or 180 hours in a semester). Credits earned for English, Humanities, French and Physical Education can be applied to all DCS programs.

14 GENERAL EDUCATION COURSES: for all DCS programs.
Duplicate course numbers are not permitted.

English – 603 (4 courses)	Humanities – 345 (3 courses)	French – 602 ★ (2 courses)	Physical Ed. - 109 (3 courses)	Complementary (2 courses)
1. 603-101 [A]	1. 345-101 [A]	1. 602-10□ [A]	1. 109-101	1. _____
2. 603-102 [A]	2. 345-102 [A]	2. 602-HS□ [B]	2. 109-102	2. _____
3. 603-103 [A]	3. 345-HS□ [B]	French courses must be taken according to the assigned placement level.	3. 109-103	Refer to rules on categories and sets in making complementary choices.
4. 603-HS□ [B]	Must pass 1 A block course before taking B block course.	Must pass A block course before taking B block course.	109-101 & 109-102 may be taken in any order. 109-103 must be taken last.	
Must pass 603-101 first.				

★ Students placed at the 602-100 level of French should take French in their first year.

In addition to passing the General Education courses above and all program courses, students must pass the **ENGLISH EXIT EXAM** and the **COMPREHENSIVE ASSESSMENT**.

WHAT DOES IT TAKE TO GET A DCS?

- 1) Courses
- ➔ 2) English Exit Exam
- 3) Comprehensive Assessment

ENGLISH EXIT EXAM

- **Written 3 times a year**
- **May, August or December**
- **Students must have passed**
 - **603-101, 603-102, 603-103**
 - **or 2 of the 3 and the 3rd one is in progress.**

ENGLISH EXIT EXAM (Cont'd)

- **Registration procedures are posted on Omnivox**
- **The Learning Centre can help you prepare for the English Exit Exam, Room B205**

WHAT DOES IT TAKE TO GET A DCS?

- 1) Courses
- 2) English Exit Exam
-  3) Comprehensive Assessment

COMPREHENSIVE ASSESSMENT

- 1. Assignment, test, project or “stage” designed to determine whether a student has integrated all the learning objectives of their program.**
- 2. Different programs use different methods of determining the CA**
- 3. Must be passed**

VARIA

Typical Semester Course Load

- Pre-university students: 7 courses
- Career Technology students: 1-9 courses

[Check your program grid for your semester course load](#)

Course Load

- **Typical course load = recommended course load**
- **Minimum course load = 4 courses or 12hrs/week**
- **Call the Registration Help Line at 514-380-8783**
- **Winter Semester delete deadline : February 14, 2014**

Deleted or failed courses

Students can make-up for deleted or failed courses by:

- **Going to Summer School**
- **Registering for an Intersession course**
- **Registering for an extra course - Permission Required**
- **Staying for one or two additional semesters**

Academic Standing & Advancement

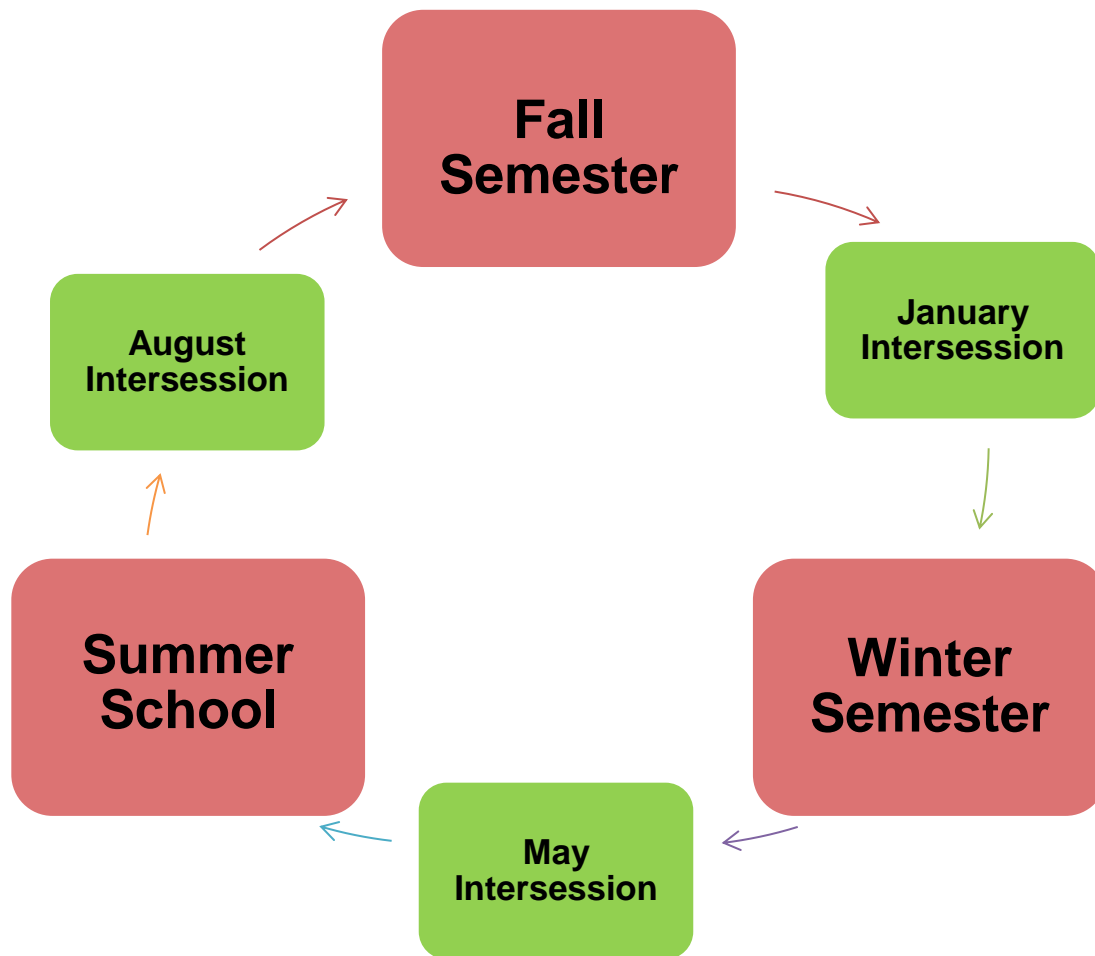

Pre-university Programs:

- Must pass a minimum of four courses and more than 50% of the courses in which they are registered.

Career Programs:

- Must pass more than 50% of the courses in which they are registered.
- Must pass more than 50% of the program courses in which they are registered.

School Year

Registration Periods

- **Winter Semester**

- **New & Returning students: January**

- **Fall Semester**

- **Returning students: June**

- **Intercession Courses**

- **January Intercession: see Website & Omnivox in October**

- **May Intercession: January**

- **August Intercession: June**

- **Summer School - May**

CEGEP Grading Scheme

- You will receive a percentage grade and an “R” score
- Your “R” score average is cumulative
- “R” score is used for university admission
- Your academic record is permanent

<http://www.vaniercollege.qc.ca/advising/r-score/>

Student Identification Cards (I.D.)

- Available in the I.T. Centre - ROOM D-301
- On the First Day of Classes
 - weekdays from 10:00- 4:00 pm
- Bring your schedule or your fee payment receipt
- You must carry your valid Vanier I.D. card with you at all times

Omnivox Registration System

A Guide to Online Course Registration

What you need to know to register

- **Courses you need to take (program grid)**
- **Course schedule**
- **Omnivox System**
 - **English and French Placement**
 - **How to register**

Consulting the Course Schedule

- You can consult the Course Schedule to see which courses are being offered
- The Course Schedule is accessible on the Current Students web page under resources and “Course Schedule”

The screenshot displays the Vanier Cégep/College website. At the top right, contact information is provided: 821 Sainte-Croix, Montréal, Québec Canada H4L 3X9, with phone number 514.744.7500 and fax number 514.744.7505. The main header features the Vanier Cégep/College logo on the left and "Current Students" on the right. Below the header is a navigation menu with the following items: "Need Assistance?", "Resources", "Performance", "Fees & Fee Payment", and "Omnivox". The "Resources" menu is expanded, showing a list of links: "Calendars & Dates", "College Catalogue", "Course Schedule", "Final Exam Schedule", "Job Postings", "Registration Guide", "Study Centres", and "University Info". On the left side of the page, there is a search bar labeled "Search Vanier Today" with fields for "Title:" and "Category:". Below the search bar, there are several news or announcement items, including "Current Students", "REGISTRATIONS", and "VANIER - 2011-2012 TEACHING EXCELLENCE AWARD".

Consulting the Course Schedule (cont'd)

- The Course Schedule is organized in numeric order and by discipline
- It is a live schedule and updated frequently

Live Master Course Schedule.	
101 Biology	385 Political Science
109 Physical Education	387 Sociology
141 Respiratory Anesthesia Technology	401 Commerce
145 Animal Health / Environmental & Wildlife Mgmt.	410 Business Administration
180 Nursing	412 Micromedia
201 Mathematics	420 Computer Science
202 Chemistry	502 Cult.Currents/Portfolio/Lang.Studies
203 Physics	510 Studio Arts & Art History
221 Arch Tech/Building Systems	511 Studio Arts & Art History

Building a Schedule

- Enter a course number to request a course and build a schedule.
- Course numbers consist of 6 characters (e.g. 345-101)
- Check your Progression Chart or your Program Grid to know which courses you need to take.
- You can check for open seats

COURSE REQUEST FORM

<h4>Request a course</h4> <p>To request a course, enter the first 6 characters of the course number (e.g. 345-103) and press Add.</p> <p>Course number: <input type="text"/></p> <p><input type="button" value="Add"/></p>	<h4>Check for open seats</h4> <p>To check for seats, simply enter the first 6 characters of the course number.</p> <p>Course number: <input type="text"/></p> <p><input type="button" value="View"/></p>
--	--

Course List

Remove	WEIGHT TRAINING Course no. 109-101-MQ	Section: <input type="text" value="00014 - teacher: W. MacArthur"/>	<input type="button" value="Multiple Choices"/>	Already registered in section 00014
------------------------	---	---	---	-------------------------------------

Building a Schedule (cont'd)

- After requesting a course you need to choose a section.
- To give yourself the most possible sections choose “Try All”
- You can ask Omnivox to search for schedules with a day off if any are available.

The course Introduction to Psychology was added to the list of courses to register.

COURSE REQUEST FORM

Request a course To request a course, enter the first 6 characters of the course number (e.g. 345-103) and press Add.	Check for open seats To check for seats, simply enter the first 6 characters of the course number.
Course number: <input type="text"/>	Course number: <input type="text"/>
<input type="button" value="Add"/>	<input type="button" value="View"/>

Course List

Remove	Knowledge Course no. 345-101	Section: <input type="text" value="Try all"/>	<input type="button" value="Multiple Choices"/>	status: To be registered
Remove	Introduction to Psychology Course no. 350-102	Section: <input type="text" value="Try all"/>	<input type="button" value="Multiple Choices"/>	status: To be registered

To continue, click on Show all possible course schedules below. The system will generate all possible schedule configurations for the courses requested above.
NOTE: to obtain the maximum number of course schedules, leave TRY ALL in the section box above.

Show schedules with a day off (if any are available)

Building a Schedule (cont'd)

- You can also choose a specific section
- Searching by specific sections restricts your schedule options.

The screenshot shows a web interface for selecting course sections. On the left, there is a search filter with a blue header "Request a course" and a sub-header "To request a course, enter the course number (e.g. 345-103-04) and press Add." Below this is a text input field labeled "Course number:" and an "Add" button. The main area displays a list of course sections. Each entry includes a "Remove" link, the course name, and the course number. The sections listed are:

- VOLLEYBALL (Course no. 109-104-56)
- Calculus I (Course no. 201-103-VA)
- World: Land and Pe (Course no. 320-100-VA)
- T.B.A (Course no. 345-102-40)
- Introduction to Psychology (Course no. 350-...)

On the right side, a scrollable list of 35 course sections is shown, each with its full identifier and teacher name. The section "109-101-MQ sect. 00024 - teacher: B. Macarthur" is highlighted in blue, and a mouse cursor is pointing at it. At the bottom right, there is a "Multiple Choices" button and a "To be registered" label.

Building a Schedule (cont'd)

- **Searching “Multiple Choices” allows you to select several sections.**
- **You can combine your search by selecting Multiple Choices along with specific sections.**

Multiple section selection for the course - Windows Internet Explorer

The screenshot shows a web interface for selecting courses. At the top, there are two input fields for 'Course number:' with 'Add' and 'View' buttons below them. Below this is a blue header for 'Course List'. The list contains four course entries, each with a 'Remove' link, course name, course number, a 'Section:' dropdown menu set to 'Try all', a 'Multiple Choices' link, and a 'status:' field set to 'To be registered'. The courses are: 'World: Land and People' (320-100), 'History Western Civilization' (330-910), 'World Views' (345-102), and 'Introduction to Psychology' (350-102). Below the list, there is a note: 'To continue, click on Show all possible course schedules below. The system will generate all possible schedule configurations for the courses requested above. NOTE: to obtain the maximum number of course schedules, leave TRY ALL in the section box above.' There is a checked checkbox for 'Show schedules with a day off (if any are available)'. At the bottom, a red arrow points to a button labeled 'Show all possible course schedules'.

Choosing a Schedule (cont'd)

- Omnivox may give you several different schedules
- Choose your preferred schedule configuration

More than 25 available course schedule configurations

The system has detected that more than 25 schedule configurations with open seats exist for the course selection you've made. Only the 25 first configurations are shown below. To reduce the number of proposed schedule configurations, please [return to the Course Request Form](#) and select specific section numbers for some of your courses.

To continue, please select your preferred schedule configuration.

View and Print Schedule

- Return to the Omnivox Login page
- Select My Schedule

- Choose the semester
- Select “Obtain my schedule” to view and print your schedule

The screenshot shows the Omnivox login page. At the top left is the Omnivox logo with a padlock icon. Below it is a navigation menu with 'Instructions' and a dropdown arrow. The main content area is divided into two columns. The left column is titled 'Omnivox Services' and lists various services like 'LÉA, the Omnivox Classroom', 'Cancelled classes', 'Carpooling', 'Confirmation of Attendance', 'Course Registration', 'E-Mentoring Academos', 'Fee payment', 'Information and Messages intended for you', 'Lockers', and 'MIO - Messaging In Omnivox'. The right column is titled 'What's new?' and lists '1 new assignment instruction available', '10 new documents from your teachers', '5 new evaluation grades', and 'Participate in the Car Pool service...'. At the bottom left, there is a 'Return to identification' link. A large 'My Schedule' link is prominently displayed in the center of the page.

The screenshot shows the 'My Schedule - Semester selection' page. At the top is a blue header with the text 'My Schedule - Semester selection'. Below the header is a message: 'Please select the semester for which you want to obtain your course schedule.' There is a dropdown menu labeled 'Semester:' with the following options: 'Fall 2010', 'Summer 2010', 'Fall 2010', and 'Winter 2011'. A red arrow points to the dropdown menu with the text 'Choose your semester'. Below the dropdown menu is a button labeled 'Obtain my schedule'. A red arrow points to this button with the text 'View Schedule'.
